

TS-600 SPEAKERPHONE

THE PREMIUM TALKSWITCH BUSINESS PHONE

The perfect phone for those who understand that every call counts. A premium business speakerphone, the TS-600 features a large adjustable backlit LCD display for increased readability, an efficient and user-friendly interface for maximum productivity and features designed to work seamlessly with your TalkSwitch telephone system.

The TS-600 has superior sound quality. It includes a high performance speakerphone and full headset integration, with two headset ports, a dedicated headset button and a built-in amplifier.

Single-cord convenience: The TS-600 can be powered through the included phone cable. Only one cable connects to the phone, making installation easier and requiring one less cable on the desktop.

Designed for TalkSwitch: The TS-600, in combination with TalkSwitch telephone systems, provides unique features such as Message Waiting Count Indicator, Handsfree Intercom and Group Paging.

Features Include:

- Superior Speakerphone
- Context-Sensitive Menus
- Softkey Access to TalkSwitch Features
- RJ22 and 2.5 mm headset jacks with amplifier.
- Dedicated Headset Button
- Large Adjustable Backlit Display
- Data Port
- Combined Power/Telephone Cord
- 7 Programmable Keys
- Handsfree Intercom and Group Paging
- Message Waiting Count Indicator
- 99 Entry Phone Book and Call Log
- Direct Line Access Mode
- Multiple Ring Tones
- Last 5 Number Redial List
- Caller ID and Call Waiting Indication
- Call Timer

TS-600

TalkSwitch® is dedicated to providing small and multi-location businesses with innovative telecommunications solutions. Since 1990, TalkSwitch has delivered rich features, high functionality and unbeatable value. Ideal for businesses with up to 32 telephone users per office, TalkSwitch systems provide users with options to connect to both the traditional telephone network (PSTN) and Voice over IP (VoIP) networks. TalkSwitch is headquartered in Ottawa, Canada. © TalkSwitch 2005
